Programme fact sheet: Code 8

The SA Maritime School and Transport College (SAMS) has started a driving academy from its operation in Durban. SAMS offers both learner and driver Code 8 licence courses to both existing learners and members of the general public.

Learners licence training

As a learner driver, the more aware you are of the rules of the road, the defensive driving system, road signs and markings the safer the roads will be for all users. By 'defending' yourself on the roads you better the chances of not having a collision.

Overview of the learners course:

The following is covered during the course:

- Understanding the rules of the road
- Understanding the K53 defensive driving programme
- Understanding the various vehicle controls (steering wheel, gears, footbrake etc)
- Understanding the road traffic signs, signals and painted road markings, and how the driver should respond to each of them.

What we offer:

- Classroom sessions (5 x 1 hour sessions)
- Teaching
- Simulated tests
- Supply of additional study material
- Learners will be provided with the most up to date learner material. However, learners may still choose to purchase the K53 Learners manual should they so choose.

Procedures for booking a learners licence test:

- Identity document and a certified photocopy
- 4 x Black and white ID photo's
- R150 for the booking of a learners
- Additional R60 for learners licence
- R60 for ID photo's.
