Programme Fact Sheet for Skills Certificate in Freight Forwarding & Customs Compliance: Part Time

Duration: 12 months	NQF Level: 03	04SP2011952602
---------------------	---------------	----------------

Overview of course:

This qualification is to provide learners with the conceptual framework and the skills necessary to perform routine functions within the Custom Compliance & Freight Forwarding environment allowing the learner to operate cross functionally within the International logistics industry.

Learners who successfully complete this qualification will be able to:

- Apply the competencies of numeracy and literacy to everyday work related situations.
- Adhere to the required processes and procedures related to the import and export of internationally traded goods.
- Use geographic and logistics concepts to carry out routine imports and exports policies and procedures.

Admission criteria:

- Successful completion of either a full time /part time qualification Certificate in International Trade NQF 02 or Freight Handling NQF 03.
- Grades 12 pass

Certification Criteria:

All unit standards must be completed successfully in order to achieve a Skills Certificate. Failure to do so, will result in a statement of results only.

Note: SAMS reserves the right to recommend learners onto a learning path through an initial assessment interview. SAMS will consider learners whom have gained prior working experience within the maritime industry.

Course commences:

9th March 2019 (Saturdays only)

Enrolment criteria:

Learners wishing to enrol with SAMS would require the following:

- Completed enrolment form signed (Guarantor to sign and initial all pages)
- 2 Certified copies of the learners I.D. (in colour)
- 2 I.D. photos of the learner (in colour)
- 1 Certified copy of I.D.(parent/guardian)
- 1 Copy of a Municipality bill (parent/guardian)
- 2 Certified copies of Matric certificate (in colour)
- Proof of debit order in respect of fees

Programme Fact Sheet for Skills Programme in Freight Handling: Part Time

Duration: 11 months	NQF Level: 03	04SP2011952590
---------------------	---------------	----------------

Overview of course:

The safe handling of freight is dependent upon the applicable people complying with the relevant procedures and applying the necessary skills to their handling. This Qualification, therefore, is aimed at providing learners in the Freight sector with:

- An integrated practical and theoretical grounding in Freight Handling.
- The ability to work more effectively with others.
- The skills necessary to maintain and enhance the level and quality of service expected by customers.
- An awareness and understanding of key business principles that lead to transformation, transferability, economic growth and social development in the freight handling industry.

Learners completing this programme will be specifically trained in the Warehousing and Distribution Sector.

Learners completing the programme part time can register on the separate skills programme in Operate a Counterbalanced Lift Truck. A medical test, eye test as well as PPE form part of the compulsory requirements for this skills programme.

Admission criteria:

- Grade 12 pass/Successful completion of a Certificate in International Trade NQF 02 Full Time or Part Time.

Certification Criteria: All unit standards must be completed successfully in order to achieve a Skills Certificate. Failure to do so, will result in a statement of results only.

Note: SAMS reserves the right to recommend learners onto a learning path after initial assessment interview. SAMS will consider the learners who have gained work experience within the maritime industry.

Course commences:
