Programme Fact Sheet for Skills Certificate in International Trade: Part Time

Duration: 12 Months	NQF Level: 02	SAQA I.D.: 59326
---------------------	---------------	------------------

Overview of course

The Certificate in International Trade programme is the start of a career path in international trade. The skills, values, attitudes and knowledge reflected in the programme are building blocks that will prepare learners for progression along the industry's learning ladder of registered qualification. It will give learners the opportunity to apply knowledge gained about the industry to real situations in the workplace.

The completion of this programme should add status of the worker and serve as an encouragement to embark further within the industry. This qualification also provides the basis for further development of learner into specialist area within the international logistics and supply chain field.

Admission criteria:

- Grade 12 pass

Certification Criteria: All unit standards must be completed successfully in order to achieve a Skills Certificate. Failure to do so, will result in a statement of results only.

- Note: SAMS reserves the right to recommend learners onto a learning path through an initial assessment interview.

Course commences:

10th March 2018 (Saturdays only)

Enrolment criteria:

Learners wishing to enrol with SAMS would require the following:

- Completed enrolment form signed (Guarantor to sign and initial all pages)
- 2 Certified copies of the learners I.D. (in colour)
- 2 I.D. photos of the learner (in colour)
- 1 Certified copy of I.D.(parent/guardian)
- 1 Copy of a Municipality bill (parent/guardian)
- 2 Certified copies of Matric certificate (in colour)
- Proof of debit order in respect of fees& proof of deposit paid

Programme Fact Sheet for Skills Programme in Freight Handling: Part Time

Duration: 12 months	NQF Level: 03	SAQA I.D.: 57831
---------------------	---------------	------------------

Overview of course:

The safe handling of freight is dependent upon the applicable people complying with the relevant procedures and applying the necessary skills to their handling. This Qualification, therefore, is aimed at providing learners in the Freight sector with:

- An integrated practical and theoretical grounding in Freight Handling.
- The ability to work more effectively with others.
- The skills necessary to maintain and enhance the level service and quality of service expected by customers.
- An awareness and understanding of key business principles that lead to transformation, transferability, economic growth and social development in the freight handling industry.

Learners completing this programme will be specifically trained in the Warehousing and Distribution Sector.

Learners completing the programme part time can register on the separate skills programme in Operate a Counterbalanced Lift Truck. A medical test, eye test as well as PPE form part of the compulsory requirements for this skills programme.

Admission criteria:

- Grade 12 pass

Certification Criteria: All unit standards must be completed successfully in order to achieve a Skills Certificate. Failure to do so, will result in a statement of results only.

Note: SAMS reserves the right to recommend learners onto a learning path after initial assessment interview. SAMS will consider the learners who have gained work experience within the maritime industry.

Programme Fact Sheet for Diploma in Freight Logistics:NQF

05 Part Time

Duration: 24 months	NQF Level: 05	SAQA I.D: 58473
---------------------	---------------	-----------------

Overview of course:

This qualification will provide learners with access to employment opportunities within the Freight Handling Logistics environment. Learners will be able to take responsibility for the planning, handling, storage and transportation of goods nationally as well as internationally. The benefit for organisations and the community lays in the optimization of their freight logistical processes.

This qualification seeks to establish fundamental knowledge and skills in Freight Handling Logistics and to provide the necessary competencies for people who are new to the field as well as to other people who may be experienced in freight logistics. Learners completing this qualification will be able to work towards a career in the management of the Freight Handling Logistics environment.

Admission criteria:

- A learner applying to enrol on this course is required to have attained a minimum of five years working experience within the maritime industry. Learner will be required to supply SAMS with a copy of their employment contract or a letter from company to verify the duration as well as scope of employment.

Note: SAMS reserves the right to recommend learners onto a learning path through an initial assessment interview. It would be preferable that the learner has obtained a qualification in Freight Handling, Shipping Practice or Freight Forwarding and Customs Compliance. SAMS reserves the right to increase the duration of the programme if required to ensure notional learning hours are achieved. An interview with the CEO/Campus Principal or Facilitator Liaison Officer will be conducted prior to registration and forms part of the enrolment criteria.

Course commences:

5th May 2018 (Saturdays only)

Certification Criteria:

All unit standards must be completed successfully in order to achieve a full certificate.

Learners wishing to enrol with SAMS would require the following:

- Completed enrolment form signed (Guarantor to sign and initial all pages)
- 2 Certified copies of the learners I.D. (in colour)
- 2 I.D. photos of the learner (in colour)
- 1 Copy of a Municipality bill (parent/guardian)
- 1 Certified copy of I.D. (Parent/Guardian)
- 2 Certified copies of Matric certificate (in colour)
- Copy of employment contract /letter from existing Company and or relevant qualifications completed at SAMS
- Compulsory to have at least NQF 04
